

WINE VISION

AUDACES FORTUNA JUVAT

BATUSSI

Wine Vision is producing modern wines in the three major wine regions of Portugal which have the greatest international potential - Vinho Verde, Alentejo and Douro, working in all regions with 3 segments - premium, super premium and icon wines.

The Alentejo region is located in the southern area of Portugal. This beautiful district, with great historical wealth and a well-preserved architectural heritage, is covered by vast vineyards, extending across the plains under a blazing sun.

This is the region where BATUSSI is produced.

BATUSSI ALENTEJO 40% Trincadeira, 40% Aragonês and 20% Syrah grapes.

TASTING Made from Trincadeira, Aragonês and Syrah grapes for optimum maturation. Vinified using traditional techniques and state-of-the-art modern technology.

Elegant, rich, aromatic, fruity and intense, with some spices and berries. A well balanced and integrated vanilla touch of oak. Good and soft tannin structure, very well balanced. A modern Alentejo wine.

SERVING SUGGESTION Ideal as a perfect accompaniment to red meat dishes, pasta, wild game and cheese.

Enjoy in moderation and in good company.

This Alentejo Wine is proudly produced in Portugal.
