

Potrero Chardonnay

2020 Uco Valley

The textbook lightly barrel-aged 2020 Chardonnay was produced with grapes with moderate ripeness and very good acidity, fermented in concrete with indigenous yeasts. It's floral and fresh and has a spicy twist, as only 20% of the volume matured in used oak barrels for six months. It has moderate alcohol and a medium body, finishing dry and with a tasty chalky sensation. 10,000 bottles. It was bottled in November 2020.
